

AWE Aldermaston, plan at April 2007

Nearest train stations: Aldermaston and Mortimer (not walking distance, more trains at Mortimer).

Nearest bus stops: Bishopswood Road near red telephone box (opposite side for number 2 to Basingstoke); Franklin Avenue or Bishopswood Road (near Post Office) for 143/148 to Reading (less frequent): all these buses go to train stations.

AWE gateways: Construction Gate (light construction vehicles), Boilerhouse Gate (cars), Main Gate (cars, car park outside gate with multiple entrances from main road), Tadley and Home Office Gates (cars and heavy construction traffic, leading to parking area and inner 'West Gate'). North Gate only used for Park & Ride coach, Falcon Gate currently rarely used.
