

“An insurance policy for future generations” —
stop work on the next generation of nuclear weapons

Aldermaston Blockade, Easter 2007 (April 10th)

Where?	Atomic Weapons Establishment (AWE) Aldermaston: meet in Reading, contact us in advance for venue details (or see website)
When?	<i>Meet from 1pm, Monday 9th April; blockade Tuesday 10th</i>
Who?	Organised by Trident Ploughshares, all are invited to help shut down Britain's bomb factory
How?	<i>Non-violent blockade to disrupt work on Trident warheads and their successors: see website for non-violence and safety groundrules</i>
Why?	Building work at AWE commits the UK to WMD for the next 50 years, and the world to increased nuclear proliferation
